

Application No. 10/748,432
Amdt. dated December 7, 2005
Reply to Final Office Action of September 9, 2005

REMARKS/ARGUMENTS

Claims 15-18, 21-36 are under examination in the application. In the office action dated September 9, 2005 and the Advisory Action following the following claims remained rejected: Claims 15-18, 21-36 are rejected under 35 U.S.C. § 112, first paragraph.

Applicant submits that the claims as amended are fully supported in the specification, specifically, the last paragraph of the application, paragraph [0095] of the application as published that provides explicit support for the claim language "suppressing the effects of translocase deficiency". Applicant amends herewith the claims to expedite the prosecution of this case to allowance, and does so without prejudice or loss of equivalents in subsequent claims in continuation applications. Applicant respectfully requests the Examiner withdraw the rejection under 35 U.S.C. § 112 and allowance of the claims.

Conclusion

In light of the remarks and arguments presented above, Applicant respectfully submits that the claims in the Application are in condition for allowance. Favorable consideration and allowance of the pending Claims 15-18, 21-36 are therefore respectfully requested.

If the Examiner has any questions or comments, or if further clarification is required, it is requested that the Examiner contact the undersigned at the telephone number listed below.

Dated: March 3, 2006.
